WHEREAS, for purposes of considering and effectuating the terms of the Settlement Agreement, the Court finds that it has jurisdiction over the Settlement Agreement and each of the Parties;

WHEREAS, the Court having reviewed and considered the Settlement Agreement including all accompanying exhibits (including the Declaration of the Class Action Settlement Administrator and Allocation Decision), the briefing and argument of the Parties made in support of preliminary approval of the Settlement Agreement, the Declaration of the Court-Appointed Economic Loss Settlement Mediator, the briefing and argument of any persons filing objections, and the Parties to the Settlement Agreement having requested that the Court enter this Order,

IT IS HEREBY ORDERED AS FOLLOWS:

I. PRELIMINARY APPROVAL OF THE SETTLEMENT AGREEMENT

1. The Court preliminarily approves the proposed Settlement Agreement, including the Allocation Decision, because the Parties have shown, and the Court concludes, that, pursuant to Federal Rule of Civil Procedure 23(e)(1)(B)(i), the Court will likely be able to grant final approval and find that the Settlement Agreement is fair, reasonable, and adequate, including that (i) Plaintiffs and Plaintiffs' Class Counsel have adequately represented the Class, (ii) the Subclass representatives and Allocation Counsel have adequately represented their respective Subclasses, (iii) the Settlement Agreement was entered into in good faith, free of collusion, through significant arm's-length negotiations assisted by the experienced Court-Appointed Economic Loss Settlement Mediator; (iv) the Allocation Decision was reached through arm's-length negotiations and presentations from Allocation Counsel and then determined by the Court-Appointed Economic Loss Settlement Mediator; (v) the relief provided for the Class and each Subclass is adequate taking into account the costs, risks, and delay of trial and appeal and

the effectiveness of distributing relief; and (vi) the Settlement Agreement and Allocation Decision treat Class Members equitably relative to each other.

2. The Court authorizes establishment of the Common Fund in accordance with the terms of the Qualified Settlement Fund Trust Agreement, which is attached to the Settlement Agreement as Exhibit 7. The Common Fund is established as a “qualified settlement fund” within the meaning of Section 468B of the Internal Revenue Code and the Treasury Regulations thereunder. The Common Fund shall be operated in a manner consistent with the rules of Treasury Regulation Section 1.468B-1, *et seq.* The Court shall retain continuing jurisdiction and supervision over the Common Fund, in accordance with the terms of the Qualified Settlement Fund Trust Agreement. The Court appoints Flora Bian of JND Legal Administration as Qualified Settlement Fund Administrator and Trustee to carry out all duties and responsibilities of the Qualified Settlement Fund Administrator and Trustee as specified in the Settlement Agreement, the Qualified Settlement Fund Trust Agreement and herein.

II. THE CLASS, CLASS REPRESENTATIVES, AND CLASS COUNSEL

3. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, for purposes of the Settlement only, the Court finds that it will likely be able to certify the following proposed settlement class:

[A]ll Persons who, at any time as of or before the Recall Announcement Date of the Recall(s) applicable to the Subject Vehicle, own(ed), purchase(d), and/or lease(d) a Subject Vehicle in any of the fifty States, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands, and all other United States territories and/or possessions.

4. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, for purposes of the Settlement only, the Court finds that it will likely be able to certify the following proposed settlement subclasses:

- (i) Subclass 1: The Delta Ignition Switch Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v047.
- (ii) Subclass 2: The Key Rotation Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall Nos. 14v355, 14v394, and 14v400.
- (iii) Subclass 3: The Camaro Knee-Key Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v346.

- (v) Subclass 5: The Side Airbag Subclass, comprised of those Class Members who own(ed), purchase(d), and/or lease(d) a Subject Vehicle subject to NHTSA Recall No. 14v118.

5. The Court finds, for settlement purposes only, that the Class, including all Subclasses as defined above, will likely meet the requirements for class certification under Federal Rules of Civil Procedure 23(a) and 23(b)(3)—namely (a) the Class Members are sufficiently numerous such that joinder is impracticable; (b) there are common questions of law and fact; (c) the Plaintiffs' claims are typical of those of the Class Members; (d) the Plaintiffs and Plaintiffs' Class Counsel have adequately represented, and will continue to adequately represent, the interests of the Class Members, and the Subclasses are adequately represented by proposed Subclass Counsel, which includes the attorneys who served as Allocation Counsel; and (e) questions of law and fact common to the Class predominate over the questions affecting only individual Class Members and certification of the Class is superior to other available methods for the fair and efficient adjudication of this controversy.

6. The Class and Subclasses are subject to the exclusions set forth in Paragraph 12 of the Settlement Agreement.

7. The Class and Subclasses, if certified in connection with Final Approval, shall be for settlement purposes only and without prejudice to the Parties in the event the Settlement is not finally approved by this Court or otherwise does not take effect.

III. APPROVAL OF THE FORM AND MANNER OF NOTICE

12. Class Notice will be accomplished through a program overseen by the Class Action Settlement Administrator utilizing a combination of the Short Form Notice, Summary Settlement Notice, nationwide press releases, notice through the Settlement website, and Long Form Notice. Specifically, the Class Action Settlement Administrator shall (i) arrange for publication of the Summary Settlement Notice, substantially in the form attached as Exhibit 12 to the Settlement Agreement, in *People* magazine, and (ii) cause the dissemination of nationwide press releases, as described in the Declaration of the Class Action Settlement Administrator, in substantially the form agreed upon by the Parties and attached to the Settlement Agreement as Exhibits 16 and 17 at the commencement of the Class Notice program and again shortly before the deadline for the Settlement Claim Period.

13. Additionally, the Class Action Settlement Administrator shall send the Short Form Notice, substantially in the form attached to the Settlement Agreement as Exhibit 11, as direct notice by postcard via first class U.S. mail, proper postage prepaid, to the Class Members as identified by vehicle registration data after utilizing a service for updating addresses. In addition, the Class Action Settlement Administrator shall: (a) re-mail promptly any Short Form Notices returned by the United States Postal Service with a forwarding address; and (b) utilize other methods to identify Class Members for any returned Short Form Notices that do not include a forwarding address, such as address research firms or email identification services, deemed proper by the Class Action Settlement Administrator.

14. The Court finds that both the Short Form and Summary Settlement Notice sufficiently inform potential Class Members how to obtain the Long Form Notice via the Settlement website, via regular mail, or via a toll-free telephone number, pursuant to Sections III.E and III.F of the Settlement Agreement. The Long Form Notice shall be made available to Class Members in substantially the form attached as Exhibit 5 to the Settlement Agreement via the Settlement website and via regular mail upon request made by a Class Member via the website or the toll-free telephone number.

15. Pursuant to Federal Rules of Civil Procedure 23(e)(1) and 23(c)(2)(B), the Court finds that the content, format, and method of disseminating Class Notice set forth in the Settlement Agreement, including the form and content of the proposed forms of Class Notice attached as Exhibits 5 (Long Form Notice), 11 (Short Form Notice), and 12 (Summary Settlement Notice) to the Settlement Agreement, is the best notice practicable under the circumstances and satisfies all legal requirements, including Federal Rule of Civil Procedure 23(c)(2)(B) and the Due Process Clause.

16. The Court further finds that the proposed forms of Class Notice clearly and concisely state in plain, easily understood language, *inter alia*: (i) the nature of the Actions; (ii) the definition of the Class and the Subclasses; (iii) the nature of the Class claims and issues; (iv) that a Class Member may enter an appearance through an attorney if the member so desires; (v) that the Court will exclude from the Class any member who timely and validly requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on Class Members under Federal Rule of Civil Procedure 23(c)(3).

17. The Court further finds that the Class Notice informs Class Members of the Settlement in a reasonable manner under Federal Rule of Civil Procedure 23(e)(1)(B) because it fairly apprises the prospective Class Members of the terms of the proposed Settlement and of the options that are open to them in connection with the proceedings.

18. The Court therefore approves the proposed Class Notice plan, and hereby directs that such notice be disseminated to Class Members in the manner set forth in the Settlement Agreement and described in the Declaration of the Class Action Settlement Administrator attached as Exhibit 14 to the Settlement Agreement under Federal Rule of Civil Procedure 23(e)(1). The Plaintiffs, New GM, and the GUC Trust are directed to take all necessary and appropriate steps to disseminate Class Notice, including Notice substantially in the forms attached as Exhibits 5 (Long Form Notice), 11 (Short Form Notice), and 12 (Summary Settlement Notice) to the Settlement Agreement.

19. The Court appoints Jennifer Keough of JND Legal Administration (“JND”) as Class Action Settlement Administrator and directs Ms. Keough to carry out all duties and responsibilities of the Class Action Settlement Administrator as specified in the Settlement Agreement and herein. The Court authorizes the Class Action Settlement Administrator, through

data aggregators or otherwise, to request, obtain and utilize vehicle registration information from the Department of Motor Vehicles for all 50 states, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands and all other United States territories and/or possessions for the purposes of identifying the identity of and contact information for purchasers and lessees of Subject Vehicles. Vehicle registration information includes, but is not limited to, owner/lessee name and address information, registration date, year, make, and model of the vehicle.

20. Pursuant to the Settlement Agreement, all Settlement Implementation Expenses, including but not limited to the costs of Class Notice and retention of the Class Action Settlement Administrator and the Qualified Settlement Fund Administrator and Trustee, shall be paid from the Common Fund, but only upon written approval by Plaintiffs' Class Counsel, New GM, and the GUC Trust.

41. Plaintiffs' Class Counsel, New GM's Counsel, and the GUC Trust's Counsel are authorized to take, without further Court approval, all necessary and appropriate steps to implement the Settlement Agreement according to its terms, including the Class Notice program.

42. If the Settlement Agreement is not approved by the Court or is terminated in accordance with its terms, the Settlement Agreement and any actions taken or to be taken in connection therewith (including this Preliminary Approval Order and any judgment entered herein), shall be terminated and shall become null and void and of no further force and effect except for (i) any obligations to pay for any expense incurred in connection with Notice and administration as set forth in the Settlement Agreement, and (ii) any other orders, obligations or provisions that are expressly designated in the Settlement Agreement to survive the termination of the Settlement Agreement.

43. Plaintiffs' Class Counsel may petition the Court for Plaintiff Incentive Awards for some or all Plaintiffs for their time in connection with the Actions, in addition to the settlement payment amounts they receive for the Settlement Claims.⁵ Any individual incentive/service awards made to Plaintiffs must be approved by this Court and shall be paid by the Qualified Settlement Fund Administrator and Trustee out of the Common Fund, within the later of 30 days of the Final Effective Date or the expiration of any appeal period or the resolution of any and all appeals relating to the individual incentive/service awards.

44. All Persons, including Plaintiffs, all potential Class Members and any parties in the Bankruptcy Case, are stayed and enjoined from all challenges or other litigation arising out of, in connection with, or related to the Settlement Agreement other than the litigation in this Court concerning final approval of this Settlement Agreement.

45. Pending determination of whether the Settlement Agreement should be granted final approval, all Actions are stayed and all potential Class Members are enjoined from litigating, pursuing, making, or proceeding with any actions, claims, or other matters involving any economic loss claims relating to the Recalls or any vehicle subject to the Recalls.

46. Without further order of the Court, the Parties may agree to make non-material modifications to the Settlement Agreement (including the exhibits thereto) in implementing the Settlement that are not inconsistent with this Preliminary Approval Order, including making minor changes to the Settlement Agreement, to the form or content of the Class Notice, or to any other exhibits that the Parties jointly agree in writing are reasonable or necessary.

⁵ Plaintiffs' Class Counsel will propose that the Plaintiff Incentive Awards be in the amount of \$2,000 for each of the Plaintiffs who were deposed in MDL 2543 and \$1,000 for all other Plaintiffs.

47. The Court shall retain jurisdiction over the Settlement Agreement and the Actions pending before this Court to consider all further matters arising out of or connected with the Settlement.

IT IS SO ORDERED.
