

**U.S. District Court  
Southern District of New York**

**In re: General Motors LLC Ignition Switch Litigation**

Case Number: 1:14-md-02543-JMF

Document Number: 2597 (No document attached)

Date: March 21, 2016

Docket Text:

**ORDER with respect to [2592] and [2594] Letters Concerning the Deposition Designations for Dr. Stacey Vial.** The Court is in agreement with Plaintiffs that, given Plaintiffs' claims in this case, the medical records already in evidence, and the testimony of Ms. Spain, Dr. Vial's testimony should largely be limited to describing her own interactions with Ms. Spain (and some interactions by staff that she directly supervised) and general testimony concerning the medical records and the like. Accordingly, the following deposition designations shall be omitted on Rule 403 grounds: Tr. 30:9-33:12, Tr. 33:18-87:15, Tr. 104:22-111:8, Tr. 112:19-22, Tr. 129:22-130:15, Tr. 142:12-144:11. (Each range includes all designations in between the specified end points.) The parties' objections to the designations not excluded by the foregoing ruling are all **OVERRULED**. (HEREBY ORDERED by Judge Jesse M. Furman) (Text Only Order) (Furman, Jesse)
