In re: General Motors LLC Ignition Switch Litigation

Case Number: 1:14-md-02543-JMF

Document Number: 3998 (No document attached)

Docket Text:

ORDER denying [3963] Plaintiffs' Letter Motion to Quash Third-Party Subpoena Served on Top Class Actions, LLC ("TCA"). The motion is denied substantially for the reasons set forth in [3975] New GM's responsive letter. Put simply, assuming that the Court has jurisdiction to entertain the motion and that Plaintiffs have standing, Plaintiffs fail to establish that the communications at issue with the third-party TCA are privileged or irrelevant given the broad definition of that term for purposes of discovery. (HEREBY ORDERED by Judge Jesse M. Furman) (Text Only Order) (Furman, Jesse)
