JESSE M. FURMAN, United States District Judge:

[Regarding the Agenda for the November 10, 2016 Status Conference]

In addition to the agenda items set forth in the Court's November 7, 2016 Memo Endorsement, (Docket No. 3497), counsel should confer, as appropriate, with respect the following issues and/or questions and be prepared to address them at the November 10, 2016 Status Conference:

- (1) the status of the settlements between New GM and clients of Hilliard Munoz Gonzalez LLP and Thomas J. Henry Injury Attorneys (*see* Docket No. 1854), and any upcoming deadlines;
- (2) whether the Court should set a deadline for remand of any remaining cases falling within the scope of the Phase One Bellwether Plan and, if so, what the deadline should be and what procedures should govern remands; and
- (3) communications with, and discovery from, absent class members. As the Court will explain, it is inclined to allow New GM to pursue discovery from absent class members, but to limit and structure such discovery, either by capping the number of absent class members from whom New GM can take discovery or through some sort of statistical sampling.

SO ORDERED.
