

**U.S. District Court
Southern District of New York**

In re: General Motors LLC Ignition Switch Litigation

Case Number: 1:14-md-02543-JMF

Document Number: 2075 (No document attached)

Date: January 12, 2016

Docket Text:

ORDER with respect to [2070] and [2071] Letters Regarding Deposition Designation Disputes. The Court rules on the disputes concerning the DeGiorgio deposition as follows. First, all of Plaintiff's objections to New GM's counter-designations are **OVERRULED** with the exception of the objection to Tr. 476:11-477:22, which is **SUSTAINED** except as to Tr. 477:14-15, which should be included (to explain what a "DFMEA" is). Second, all of New GM's objections to Plaintiff's designations are **OVERRULED** with the exception of the objection to Tr. 490:09-492:22, which is **SUSTAINED**. The Court will rule on the parties' other disputes (concerning the Parks deposition and PX 136 and 596) in due course. The Court notes one other thing: The Court is inclined to give the jury some explanation of references in the depositions to the "MDL," "MDL Plaintiffs," and the like. The parties should confer and be prepared to address the issue in the morning. (HEREBY ORDERED by Judge Jesse M. Furman) (Text Only Order) (Furman, Jesse)
