

**U.S. District Court
Southern District of New York**

In re: General Motors LLC Ignition Switch Litigation

Case Number: 1:14-md-02543-JMF

Document Number: 2534 (No document attached)

Date: March 14, 2016

Docket Text:

ORDER with respect to [2428] Deposition Designations for Arturo Alcala, Ray DeGiorgio, Doug Parks, and John Sprague. With respect to the Alcala designations: Plaintiffs' objections to Tr. 36:1-40:19 and Tr. 142:10-144:15 are SUSTAINED; New GM's objections to Tr. 122:1-13 are OVERRULED. With respect to the DeGiorgio designations: New GM's objections to Tr. 75:20-76:5 (but NOT 76:6-9) and Tr. 312:13-21 are SUSTAINED; all of New GM's other objections are overruled. With respect to Parks: New GM's objections to Tr. 41:21-42:4, Tr. 61:2-11, and Tr. 69:21 are SUSTAINED; all of New GM's other objections are overruled. Finally, all of New GM's objections to the Sprague designations are OVERRULED. (The objection chart attached to New GM's letter as Exhibit 1 reflects that Plaintiffs object to Tr. 39-21-40:12 of the Sprague deposition, but that portion of the transcript is not included in the annotated transcript. The Court assumes therefore that the objection is moot. If that is incorrect, the parties shall promptly advise the Court.) The Court reserves judgment on all other unresolved deposition designation disputes. (HEREBY ORDERED by Judge Jesse M. Furman) (Text Only Order) (Furman, Jesse)
