ORDER NO. 27

JESSE M. FURMAN, United States District Judge:

[Regarding the Parties' Joint Management of the Official MDL 2543 Website]

The parties (specifically, Plaintiffs' Lead Counsel and counsel for General Motors LLC ("New GM")) have met and conferred regarding the content of the proposed official MDL website, gmignitionmdl.com. All objections have been resolved. The parties further agree and this order authorizes and directs them to jointly administer the site, and will add content on a weekly basis to keep the website current, including the Court's orders, hearing transcripts, important pleadings, and other informational and neutral content. The parties will coordinate on and jointly agree as to any and all website content and will bring any unresolved issues to the Court for decision.

The website in its current form meets with the Court's approval and shall serve as the official website for MDL No. 2543, except that the reference and links to the Court's "Rules and Related Documents" found in the Court Documents menu under Court Rules shall be replaced with the following sentence hyperlinking the Court's website (<http://nysd.uscourts.gov/judge/Furman>): "Judge Furman's Individual Rules and Practices can be read here."

SO ORDERED.
