ORDER NO. 63

JESSE M. FURMAN, United States District Judge:

[Regarding the Identification of Factual Predicates and Legal Claims in Any Individual Economic Loss Complaints that Are Not Included in the Second Amended Consolidated Complaint Pursuant to Order No. 51]

Pursuant to Order No. 51, Section VII (14-MD-2543 Docket No. 918), Lead Counsel submitted a report on June 12, 2015 that “identified all factual predicates (i.e., alleged defects) and legal claims that are alleged in any individual economic loss complaints that are not included in the amended consolidated complaint.” (14-MD-2543 Docket No. 1039). Certain plaintiffs filed objections to Lead Counsel’s report, stating that certain plaintiffs’ vehicles were indeed included in the vehicles and claims alleged in the Second Amended Consolidated Complaint. (14-MD-2543 Docket No. 1041). At the June 16, 2015 Status Conference, the Court directed Lead Counsel and counsel for Defendants to consider the objections and submit a proposed order with a revised list, if needed. On June 23, 2015, Lead Counsel and counsel for New GM submitted the attached Exhibit A, which identifies all factual predicates (i.e., alleged defects) and legal claims alleged in any individual economic loss complaints that are not included in the Second Amended Consolidated Complaint. This list is unchanged from that attached to Lead Counsel’s June 12, 2015 submission (14-MD-2543 Docket No. 1039). As a clarification to counsel who objected to

Lead Counsel's report, the attached Exhibit A identifies defects and claims alleged in the underlying complaints' class allegations, and is not limited to the named plaintiffs' vehicles.

Pursuant to Order Nos. 50 and 61, the claims of certain Plaintiffs included on the attached list — in particular, those whose economic loss claims and/or allegations were not already dismissed pursuant to Order No. 29 — will be dismissed without prejudice. As with Order No. 61, Plaintiffs in underlying economic loss complaints have fourteen (14) days from entry of this Order to object to their inclusion on the attached Exhibit A.

SO ORDERED.
